How do I become a member?

Becoming a member merely requires a membership fee as follows:

Contributing Member:	\$20.00
Blue and Gold member:	\$30.00, or any desired donation above the \$20.00 Contributing Membership level.

What else do I get out of it?

By joining the HSA, you get a very *handy school membership directory* listing all St. Andrew School families in both alphabetical order and by homeroom groupings. The well organized directory puts virtually all general info about St. Andrew School (calendars, events, phone numbers and other contact info) at your finger tips. This directory is a “must” for busy parents of St. Andrew School.

What is the next step?
