St. Andrew School Handbook Receipt

The Student Handbooks can be on the school website (www.standrewschool.com). Parents and students should review the statements, policies, and procedures that are included with the handbook. Students and parents are expected to understand and comply with the handbook. Please sign this page and return to the school office or to a teacher. They are due within the first week of school.

As a parent or guardian of a student at St. Andrew School, I have read the information in the handbook about the appropriate use of the technology at the school and the Diocesan Department of Education Technology Acceptable Use Policy in the handbook, and I understand this agreement will be kept on file at the school.

As a user of the school Computer network, I agree to comply with the above rules and to use the network in the constructive manner. I also acknowledge that I have read the information in the handbook about the appropriate use of the computers at the school. I have also read the Diocesan Department of Education Technology Acceptable Use Policy in the handbook.

The St. Andrew administration thanks you for your cooperation.

I have looked at and reviewed the St. Andrew Student Handbook, and reviewed it with my student. I agree to abide by the policies and regulations of St. Andrew School as explained in the year's handbook.
