

# Indoor Recess Game/Toy Collection

St. Andrew Parents,

The weather is turning colder and our kiddos will soon be having recess indoors. And with Christmas right around the corner, you may have a need to make room for new toys.

Make more room in your house and make indoor recess more enjoyable for our students by donating your gently used games and toys that can be used for indoor recess. **Double win!**

HASA will be collecting new or gently used games and educational toys like: chess, checkers, Legos, flashcards, puzzles, dominoes, etc.
