

Cafeteria Information

The St. Andrew School Cafeteria offers a hot, nutritious lunch daily. We offer five items: meat/meat alternative, bread/whole grains, vegetable, fruit and milk. Additional items sold to students in grades 4-8 include: salads, bagels, yogurt parfaits, smoothies, nachos, water and juice. Prices will be posted in the cafeteria and on the website.

Students in grades 4-8 may purchase chef salads instead of lunch. The cost is \$3.00 and includes milk.

Applications for free or reduced lunches are available. All information is confidential and students in the serving line are unaware of their status. Applications are available on the St. Andrew School website at www.standrewschool.com or by request. Please contact Patti Beattie or Joel Wichtman for further information.

The cafeteria uses an account debit system. Each student has an account and is assigned a pin number. It is expected that parents/guardians will maintain a positive balance to cover any purchase(s) made to that account. E-mails are sent weekly to parents/guardians when an account reaches around \$10.00. Checks, made payable to St. Andrew School Cafeteria, can be turned in to the student's homeroom teacher or to the school office. Separate checks must be made for each student and must include the student's name.

Parents can log into myschoolbucks.com to view student lunch account purchases. Payments can also be made online through this website.

When an account falls to \$-10.00, the student will be served a bagel and milk instead of lunch. Interims and report cards may be withheld for any student with a negative balance at the end of each reporting period. At the end of the school year all negative balances must be paid in full in order to receive final report card and/or have transcripts sent to other schools.

Any positive balance left in an account at the conclusion of the school year will carry over to the following year. Any money left in an account of a graduating student will be transferred to a returning younger sibling of that student. No money is refunded.

Milk allergies need to be documented by a physician and submitted to our nurse.

A water fountain is now available in the cafeteria.

2018-2019 Lunch Price:	\$3.00
Milk	\$0.45

Students in grades 4-8 may purchase extra menu items. Prices range from \$0.50 to \$1.50 and will be posted daily in the cafeteria. The cost of an extra slice of pizza on Friday is \$1.50.
